Sir:

In response to the Notice of Missing Parts of Nonprovisional Application filed under 37 CFR 1.53(b), applicants are enclosing three (3) sheets of drawings (Figs. 14-16B). Applicants maintain that the drawing sheets with these figures were submitted along with the other drawings and the application at the time of filing.

Enclosed for the Examiner's review, in addition to the drawing sheets in question, is a copy of the transmittal for filing the application, as well as the return postcard with the PTO date-stamp indicating that twenty-five (25) sheets of drawings were received with the application.

Applicants authorize Examiner to charge Deposit Account 13-2546 \$130.00 for the Petition fee. It is our understanding that this fee will be refunded by the PTO, in light of the above. A duplicate of this request is enclosed herewith.

Having contended that all items listed on the transmittal and the return postcard, applicants respectfully request entry and examination of this application in its entirety.

Respectfully submitted,
